# Clarify your Career Strategy and your Action Plan

**Action Guide** 

by Dan Coughlin

### **Tool #1: Clarify Your Boundaries**

#### **Establish Parameters for Your Work Week**

Write down your answer to this question:

What is the maximum number of hours you are going to work in a week to find your next job?

### Then write down your answers to these questions. These are the answers we will share and discuss.

- 1. In order to not exceed that number in any week what will you have to keep doing the same and why?
- 2. What will you have to stop doing and why?
- 3. What will you have to start doing and why?
- 4. What will you have to communicate to other people?
- 5. What do you see as the benefits of working within a predetermined number of hours?

#### Tool #2: Set Your strategy

A strategy defines the business you are in, the three primary objectives you want to improve for your customers, the three main objectives you want to improve for your organization, and what you will do as an organization to achieve those objectives.
